August 10 at 6:30 p.m.

Join us for a Town Hall meeting!

August 10 at 6:30 p.m.

Antelope Valley Community Center

442 Mule Deer Road in Walker, CA.

The Mono County Board of Supervisors seeks input from residents on how to spend the settlement funds received from Liberty Utilities following the Mountain View Fire. At the Town Hall, residents will have the opportunity to hear project ideas, propose new ideas, and weigh in on which projects should be selected.

The Antelope Valley RPAC is hosting the Town Hall, and snacks and light refreshments will be provided.
