Subject: Mono County Board of Supervisors consideration of Air Curtain Burner Project grant application

Dear Supervisor Duggan,

The regular agenda for tomorrow's Mono County Board of Supervisors meeting includes an item titled "Authorization to Apply for CalFire Wildfire Prevention Grant for Air Curtain Burner Project." This grant, if awarded, would significantly benefit the wildfire mitigation efforts of Mono County.

We are on the boards of the Wheeler Crest Fire Protection District and the Wheeler Crest Fire Safe Council. We request that during consideration of this agenda matter you emphasize the needs of southern Mono County to eliminate green waste. An enormous amount of it is generated in our fuel reduction efforts, and the availability of dump sites is severely limited. We greatly need access to methods of green waste disposal such as air curtain burners.

Thank you very much.

Sincerely,

Bill Goodman, Wheeler Crest Fire Protection District
Amy Motroni, Wheeler Crest Fire Safe Council
